

MATTHEW AFANASIEV

Account Executive | AI Systems & GTM

Portfolio: mafanasiev.me | linkedin.com/in/matthewafanasiev
651.468.1408 | mattafanasiev@outlook.com

Account executive with **five years of B2B SaaS sales experience**. Partner with directors, VPs, and go-to-market engineers to identify sales bottlenecks, shape AI solutions, and support adoption. Independently build custom software and agentic workflows through Fidelis Strategy, connecting business priorities to working systems.

PROFESSIONAL EXPERIENCE

SPS Commerce

Feb 2025 - Present

Net New Subscriber Account Executive, Supply Chain Performance

- Serve as a go-to frontline partner to directors and VPs, identifying rep bottlenecks and shaping AI workflow improvements with go-to-market engineers.
- Helped lead the AI email-drafting pilot and presented the sales-team launch demo. Reported sales-floor results: users convert leads **10-20% faster** and close deals **approximately 1.5x faster** than non-users.
- Finished **Q1 2026 ranked #1 of 30 account executives**; achieved **102.6% of FY25 quota** with the division's highest close rate.
- Own full-cycle mid-market sales to operators and CTOs, leading technical discovery and demos around supply-chain integrations.

Fidelis Strategy LLC

Jan 2026 - Present (concurrent)

Founder & Growth Strategy Consultant

- Translate Paradise Capital's M&A workflows into custom software and agentic solutions, including the Buyer Engine; guide scoping and ongoing development.
- Own client discovery, solution scoping, proposals, commercial agreement, deployment, and maintenance.

SPS Commerce | Mid-Market Account Executive

Nov 2022 - Jan 2025

- Grew portfolio ARR **58% YoY in FY24** across **500+ accounts**; advised companies up to \$150M in revenue on ERP migrations.

SPS Commerce | Associate Account Executive, Community Sales

Dec 2021 - Oct 2022

- Ranked **#1 of 40 account executives at 151% quota attainment**; designed supplier onboarding campaigns with major retailers.

AI PRODUCTS & SYSTEMS BUILT

Buyer Engine | Paradise Capital

Built and maintain an M&A platform that finds, enriches, and ranks prospective acquirers. Client reports reducing buyer-list preparation from **weeks to minutes**. Built with FastAPI, Anthropic Agent SDK, and Supabase.

Fidelis Pulse & Fidelis Advisor | Built two products: owner dashboards and M&A client workspaces.

AI Lead Generation | Built automated lead discovery and qualification with Next.js, Playwright, and Railway.

SKILLS

GTM & AI Adoption: Workflow discovery, requirements feedback, pilot leadership, rollout support

AI & Technical: Agentic workflows, API integrations, LLM APIs, FastAPI, Next.js, Postgres, Supabase

Sales: Consultative discovery, technical demos, ROI selling, full-cycle SaaS sales, Salesforce

EDUCATION

BBA, Marketing Management | University of St. Thomas | 2017 - 2021
